Dell Printer Configuration Web Tool

Designed for easy installation, configuration and management of Dell network printers and consumables, this web-based tool can be set up to provide automatic e-mail notifications of printer, consumables and paper-handling alerts.

- Can be accessed using a standard web browser
- Doesn't require additional software installation
- Resides on printer hardware

Designed specifically for the requirements of the larger workgroup, the **Dell™ Workgroup Laser Printer M5200n** meets high-quality, high-volume needs with a low total cost of printing.

With a compact industrial design, the Dell M5200n delivers high-speed printing of up to 35 pages per minute (ppm) for optimal productivity. Its 300MHz processor and standard 64MB memory (320MB max.) deliver enough power to print high-quality, complex documents quickly. With 1200 x 1200-dpi resolution and flexible media options, large workgroups can produce professional, impressive-looking documents every time. The M5200n supports high-volume printing, with a duty cycle of up to 175,000 pages per month.

The M5200n offers easy setup and installation through USB and 10/100BaseT ethernet ports. Configuration and management of your M5200n network printer are simple, too, with the Dell Printer Configuration Web Tool. What's more, the Dell Toner Management System™ monitors toner levels and proactively notifies you before you run out.

The Dell Workgroup Laser Printer M5200n delivers:

Outstanding Performance

- Fast printing, up to 35 ppm
- Sharp print quality, 1200 x 1200 dpi

*Approximate page yield is based on 5% coverage. **Use & Return cartridges are available for Dell's laser printers. Dell's Use & Return program is a printer toner cartridge discount program that avoids the hassle of traditional rebates. If you choose Use & Return, in exchange for the up-front discount you agree to use the cartridge only once, and to return the empty cartridge only to Dell for recycling. You don't have to choose Use & Return products if you want other recycling options. Use & Return saves you money on a new, top-quality product while helping keep materials out of landfills. Dell provides packaging and postage for returning empty cartridges for recycling.
